

## LEEDS CITY ATHLETIC CLUB – STANDING ORDER MANDATE

You can set a standing order up with your bank using online banking, telephone banking or in branch.

The following information is needed to set up your monthly standing order.

**\*Please note that monthly payments are payable over 12 months.**

**If at any time you cancel your standing order, your account will fall into arrears. You will be asked by the club to bring your account balance up to date by the end of that month and set up the standing order for future payments.**

**If this does not happen by the 1<sup>st</sup> of the following month, your membership will be suspended and you will not be able to train at John Charles Stadium on club nights. Each monthly payment missed will be added to your outstanding balance. Once your account balance is brought up to date and a new standing order set up for the 1<sup>st</sup> of each month, your membership will be reinstated.**

**If an athlete leaves the club with an account in arrears you will not be allowed to re-join the club without paying the account arrears.**

**Regular non payers may be asked to leave the club and have their membership cancelled. If this happens, you will potentially have your England Athletics/Northern Athletics membership suspended and will not be able to compete as a Leeds City Athletic Club athlete. If the member is in genuine financial difficulty, the member needs to contact the club to review their circumstances.**
