Reference (Athlete's name):

If at any time you cancel your standing order, your account will fall into arrears. You will be asked by the club to bring your account balance up to date by the end of that month and set up the standing order for future payments.

If this does not happen by the 1st of the following month, you will not be able to train at John Charles Stadium on club nights. Each monthly payment missed will be added to your outstanding balance. Once your account balance is brought up to date and a new standing order set up for the 1st of each month, you can resume training.

If an athlete leaves the club with an account in arrears you will not be allowed to re-join the club without paying the account arrears.

Regular non payers may be asked to leave the club and have their membership cancelled. If this happens, you will potentially have your England Athletics/Northern Athletics membership suspended and will not be able to compete as a Leeds City Athletic Club athlete.

If any member is in genuine financial difficulty, please contact the club to discuss your circumstances by emailing or calling a member of the committee. lcacmembership@gmail.com. You can also contact us through facebook.
